<b>JOB TITLE:</b>	<b>Property Compliance Officer</b>
<b>LOCATION:</b>	Head Office, Belfast
<b>ACCOUNTABLE TO:</b>	Director of Property Services
<b>REPORTING TO:</b>	Maintenance & Property Services Manager

### **JOB PURPOSE:**

To provide a comprehensive compliance and facility management service in accordance with the strategic objectives of Ark Housing.

To ensure the maintenance and property services provided by Ark Housing are safe, compliant, and effective.

### **MAIN TASKS:**

As Property Compliance Officer you will be responsible for ensuring the effective management and delivery of statutory and regulatory compliance within Property Services in accordance with the Association's strategic objectives and best practice.

The role covers the full range of the Associations maintenance and compliance programmes and contracts, including but not limited to;

- Heating Servicing Programme
- Asbestos Management
- Passenger Lift Safety
- Legionella Control & Management
- Portable Appliance Testing
- Fire Protection & Testing
- Fire Risk Assessments
- Ground Maintenance

The following activities are indicative of, but not exclusively limited to, the duties and responsibilities of the Property Compliance Officer.

### **Property Compliance**

- Plan, organise and implement the delivery of heating services to include annual gas safety checks to all dwellings in line with policy and procedures to ensure all gas, LPG, oil, & renewables are inspected annually.
- Maintain up-to-date and appropriate records for the proper management of the gas safety programme and all other property compliance programmes.

- Plan, organise and implement the delivery of all servicing contracts and service level agreements.
- Maintain the Property Services Contracts Register to ensure timely renewal of contracts and identify any new contract requirements.
- Ensure all servicing certificates are received in a timely manner and review them for compliance and accuracy.
- Lead on consultant & contractor procurement and management through the specification and works process for servicing contracts.
- Prepare specifications and schedules and programmes of work. Issue works orders and monitor quantity, progress, and quality of works on site as required.
- Manage contractors across the full portfolio of facilities management and property compliance programmes, ensuring that contractors adhere to an agreed programme and that collectively programmes are delivered on time and within budget.
- Provide technical and safety advice to all staff and tenants.
- Organise and deliver a programme of Fire Risk Assessments (FRAs) across all relevant properties and schemes.
- Co-ordinate and deliver a programme of FRA recommendations working closely with the M&PS Manager and Housing Manager to ensure resulting actions are followed up on and completed within acceptable timescales.
- Identify requirements for staff and tenant training across all areas and assist with identification and delivery of training.
- Ensure timely and accurate administration of all records relating to property compliance and facilities management. This will include IT input and record keeping and include supervision of contractors. Records must be maintained to a standard which ensures that all information in connection with servicing and testing programmes is readily retrievable and reportable on demand.
- Carry out site inspections of works in progress when required. Arrange and minute regular meetings with property compliance, facilities management and cyclical maintenance contractors either as specified in individual contracts, or on good practice grounds as agreed with the Maintenance & Property Services Manager.
- To ensure that relevant Health and Safety Policies, Legislation and appropriate codes of practice are followed and regularly reviewed and updated so far as is reasonably practicable.

- To manage and ensure compliance in the delivery of or Ground Maintenance Contracts, undertaking regular inspections of work and reporting to the M&PS Manager.
- Develop and maintain the Asbestos Management Plan and programme for inspections.
- Develop and maintain the Legionella Management Plan and programme of monitoring and inspections.
- Assist with the implementation of CDM regulations across the Property Services and development teams, reviewing policy & procedures, H&S plans, risk assessment and method statements providing feedback and recommendations as required.
- Work with the development team to ensure smooth handover of new schemes assessing and ensuring all required handover documentation and Health & Safety Plans are received.

### **Contract & Financial Control**

- Administer the requirements of measured term and other contracts.
- Participate in procurement exercises as required.
- To assist the Maintenance & Property Services Manager in processing invoices ready to be passed on to the finance team for payment.
- To undertake site inspections in order to verify contractor's valuation submissions are priced in accordance with contract requirements and payments are made in accordance with procedures.
- To ensure budgets are monitored and not exceeded, highlighting any significant positive or negative variances.
- To prepare and present reports for the Board, Committees and Senior Management Team.
- To ensure that all financial management procedures are adhered to in accordance with the Association's procedures.

### **Performance & Compliance**

- Participate in the appraisal of consultant & contractor performance.
- Undertake pre & post inspections of work as required.
- To assist in the process of customer complaints.
- To correlate and produce performance data and ensure systems and processes used are accurate and auditable.

- To undertake customer satisfaction surveys as required.
- Attend site meetings, performance reviews and any other meetings as required.
- Ensure that all legislative, health & safety and regulatory matters in respect of all property services contracts are complied with.
- Assist the Maintenance & Property Services Manager to review performance and financial out turns associated with compliance.

### **Personal Development**

- Attend regular supervision and performance coaching discussions with the Maintenance & Property Services Manager.
- Participate in any internal and external personal development training/learning being provided or recommended.
- Familiarise yourself with and adhere to Ark Housing policies and procedures.
- Undertake and complete training as required.

### **Representation**

- To represent Ark Housing at meetings, interviews, seminars, conferences, training events in a positive and effective way.
- To ensure the professional representation of Ark Housing at all times.

### **Communication**

- To ensure that you communicate effectively both internally and externally with colleagues, agencies, and others.
- To ensure that you provide effective reporting both verbally and written as required.
- To ensure that confidentiality is always maintained.
- To ensure the effective use of all available resources including IT provision and other communication systems.
- To contribute to the development of effective communications systems and management of them accordingly.

### **Other Duties**

The post holder shall be required to represent the organisation in a positive and professional manner at all times and to adhere to the Association's code of conduct.
